Principal's Report

It was wonderful to meet the parents, carers and family members of our new Kindergarten students last night. Many representatives from our school community came together, including our school captains, the P&C and parent representatives as well as local organisations to provide information about the exceptional educational opportunities and services that we offer at Taree West Public School.

The 2016 Kinder students are undertaking their second classroom visit this week and will be meeting and sharing afternoon tea with their Year 6 (2016) buddies.

Year 2 Intensive Swimming Scheme

I went to the Aquatic Centre last Friday to watch our Year 2 children during their swimming lessons. The children were so very excited and eager to demonstrate their new swimming skills. It was really enjoyable and fantastic to see their confidence and commitment to learning these essential life skills. Well done to all of you!

School phone lines are out of order

The school and canteen land lines are currently out of order. Telstra is working on the issue for us but at this stage they cannot give us an approximate date for repair. If ringing the school we have all of our lines diverted to the one mobile which is an inefficient process as the line is continually busy however there is the option of leaving a message. Please feel free to drop in and see us or send a note in with your child if needed. Unfortunately the canteen does not have the facilities to divert their phone line at this stage.

P&C Meeting – Change of date to Wednesday next week

The P&C Meeting has been postponed and will now take place on Wednesday 25 November at 6pm in the Library.

Staffing Update

My name is Kristel Jeffries and I am the Aboriginal Education Officer at TWPS. My family and I moved to the Taree area in Term 3 and I have thoroughly enjoyed becoming a part of the TWPS team and getting to know all of the students and members of the local community. Aboriginal Education is a passion of mine and I am currently helping our indigenous students in achieving their educational and personal goals. I would like to invite parents/carers to drop in and say hi and to feel free to come to me with any questions or concerns they may have.

Jordan and Beau are loving the Intensive Swimming program

Rural Fire Service visit

The Rural Fire Service came to our school on Thursday. They taught Stage 2 students all about fire safety when in the home or out and about in the environment. The students had a wonderful time and especially liked exploring the fire truck and all of its equipment.
