**Kindergarten Orientation**

" Our pre-schoolers have been doing transition visits for Kindergarten next year and they have been a wonderful success. Our 'little people' have been so excited to be here and we can tell that they are ready and looking forward to Big School. They have been matched up with a buddy from Year 5 and this buddy will be their Year 6 Buddy next year. The pre-schoolers have now all met their buddies and to see the excitement on some of their faces as they met their buddies for the first time was priceless. The Year 5 students have done an outstanding job of looking after the children, helping them settle into classrooms, showing them how to play games and join in with activities, showing them around parts of the school and just being great mates and role models. We are very proud of how our Year 5s have undertaken this responsibility and no doubt over time some special little friendships will develop between our buddies."
