### NSW Rugby League All schools Finals.

Our Under 10's Rugby League team competed in Shalvey in the prestigious All Schools Rugby League finals on Monday of last week.

We came up against some very stiff competition in our 3 pool games. We played against Scone PS in our first game and we were defeated 24-6. Scone were a very well coached and confident team and we also were on the receiving end of a lop sided penalty count.

Our second game was against Merrylands Public School and our team competed really hard in this game with one of their players scoring 4 tries in the match. We went down 28-22 in a really good contest.

Our third and final game was against Currans Hill Public School. We were victorious in the match 8-6 with Jett scoring both of our tries. The boys were so thrilled to get a win in our last match and they were able to sing their victory song with pride on the field after the game was concluded.

A special thanks must go out to all of the parents of the boys for getting the students to Sydney and also for all of their assistance and support.
