Science Fun Day

Principal's Report

SASS Recognition Week

I would like to acknowledge our amazing School Administrative and Support Staff who work tirelessly in support of our students and school every day. We would be lost without them as they are an essential component in keeping our school operational in providing high quality educational programs for our students. We appreciate our Administrative team of Mandy Small, Sharon Smith, Mel Turner and Cristy Burke; our School Learning Support Officers, Pauline McMaster, Kevin Searle, Christine Crisp, Julie Atkins, Kylie Hinten, Suellen Oliver, Matt Sams, Janna Lambert and Vicki Willing; our Norta Norta Tutor, Rob McMahon; our Chaplain, Leonie Jones and our GA, Ross Bennett.

Entry to the school between 9:20am and 3:00pm

All visitors to the school between 9:20am and 3:00pm must come into the office to sign in and to gain access through the gate at the side of the Admin block. For school based assemblies, events in the hall access for parents will usually be via the hall gate.

Access for parents/visitors leaving the school during school hours is also via the side gate at the Admin block – Visitors are requested to press the buzzer and wait for the gate to be released.

Camp Quality Puppets – Silly Sock day this Thursday

Camp Quality Puppets are coming to visit Taree West students this Thursday. Students are invited to wear 'Silly Socks' on the day (socks of different colours or styles) to school in exchange for a gold coin donation.

The puppets address the difficult questions that kids may have about cancer and they teach students how to be supportive and to demonstrate understanding.

The sessions will be held at 9:15am and 10:15am – Parents are welcome to attend either session as well.

TWPS Olympic Day

Last Wednesday our school held their Mini Olympics Day. Students K-6 came dressed in different colours to represent 10 different countries from the 5 different regions of the world.

The day started with an opening ceremony, complete with torch relay run by our school sport captains. This was followed by K-2 and Primary activity stations where students worked together to earn points for their teams before wrapping up with the closing ceremony and points presentation.

Thank you to all the teachers for your help running the activities for the children and your flexibility modifying the day due to the weather. I must also congratulate all of the students on their participation and sportsmanship displayed throughout the day. You were amazing!

Congratulations to 1J and 5/6U who were crowned 2016 TWPS Olympics Games Champions...'Go Brazil!

Science Fun Day

We had great fun on Thursday investigating many science concepts through hands on experiments and activities. Thanks to all of the parents/carers and family members who were able to join us in the classrooms. We just love Science! Thanks Mr Gillett, Mr Cook and Mrs Griffith for your ongoing passion and organisation of our Science days!

Book week, Book Parade and Book Fair

What a fantastic way to finish the week with our book week celebration, book fair, parade and catwalk. The students and staff really got into the spirit of our book characters. It was such great fun! Thank you to our staff for their commitment to the children by getting into role with them and to all of our parents/carers for organising such creative costumes for your children.

Enrolments for 2017

2017 Kindergarten and new enrolment packs are now available at the school office. Please come in and enrol for 2017.
