Principal's Report

Our 2018 Kinder students are currently undertaking their orientation to school. We have welcomed almost 80 children and their families to the library for Story Time and into the classrooms over the last few weeks. This week the children are again spending time in the classrooms and meeting their Year 5 Buddies. It is a very exciting time and it has been wonderful to see their smiling faces as they join in to school activities.

Online Safety Workshops

Over the next two days all of our classes are participating in Online Safety Workshops, as part of the Personal Development and Health Curriculum. The workshops are being delivered by a presenter from the Alannah and Madeline Foundation and include many key messages and strategies for staying safe in the online world, including cyber bullying. A workshop will also be held this afternoon for parents/carers and staff in the library at 3:30pm.
