Principal's News

Stage 2 Camp

We welcome ourS 2 children back from camp this afternoon and the reports and photos on FB show just how much fun has been had.

I would like to thank the children for their outstanding behaviour and a huge thankyou to our dedicated staff who have given up their time around the clock to give the students an opportunity to remember.

Fires and smoke.

Due to the current bush fires and excessive smoke in the air can you please ensure that your child has their asthma medication with them each day.

Depending on the amount of smoke in the air, as a school we will make a judgement call each day on whether or not the children will have their recess and lunch inside or out.

Fundraiser for Firefighters

This Friday 1 November students are asked to wear RED in support of our firefighters and bring a gold coin donation.

All money raised will be used to purchase bottles water for our firefighters and will be delivered to our local RFS.

Thank you to Toni and Chris for this great idea!

Focus on Learning K/1C

Last week students in K/1C were exploring the concept of money in Mathematics. Mrs Coleman established some play based learning experiences for the children to help reinforce their understanding. Children had to use their growing skills in addition and subtraction as they role played going shopping and being a shop keeper. The students' demonstrated flexible thinking as they were finding solutions to their problems. Keep up the great work K/1C!
