Principal's Report

New Attendance System/ Student Absences

We are gradually moving over to a new attendance program which will involve a text message being sent to your mobile phone to inform you of your child's absence. The message will request a reply of why your child is away. We are expecting this process to be much more user friendly than what is currently in place. The process is not in place at this stage but it is anticipated that it will be up and running from the beginning of next week (week 3.) We ask that if you have made any changes to your mobile phone numbers can you please make contact with the school ASAP to ensure a smooth transition.

School Gates

The school gates will be closed at 9:15 each day. If your child arrives at school after the bell they must come through the front office to receive a late note.

Road safety

Please remind your children of the pedestrian road safety rules as they are walking to and from school. We have had reports from community members that children who are not supervised by an adult when walking to school are walking in the middle of roads, running across the roads without looking and not using the pedestrian crossing. Please ensure your children are safely walking to and from school.
