## New Attendance System/ Student Absences

We are gradually moving over to a new attendance program which will involve a text message being sent to your mobile phone to inform you of your child's absence. The message will request a reply of why your child is away. You will need to reply by the end of the school day or the absence will remain unexplained. We are expecting this process to be much more user friendly than what is currently in place. The process is now in place and text messages are being sent. We ask that if you have made any changes to your mobile phone numbers can you please make contact with the school ASAP to ensure a smooth transition.

## 2020 Kindergarten Enrolments

Enrolment packs are now available to be collected from the front office for 2020 Kindergarten enrolments. Please come and speak with Sharon, Tammie or Mel who will be more than happy to talk you through the process.
