The work they do and the support provided to students, other staff and the community is outstanding and very much appreciated.

**Touch**

Congratulations to Lara Watson who last week was one of 12 girls who represented the Hunter Region at the NSW State Touch Carnival at Mudgee. Her team played well against the other regions to come 4th. Well done!

Well done Ava!

You may have noticed that Ava Lohse is sporting a new hair-do. Over the past three years, she has been growing her hair in eager anticipation of donating it to the Australian Alopecia Areata Foundation (AAAF) to help kids who are going through trauma with the loss of their hair. This is something that Ava had decided by herself to undergo after meeting the Harrington twins girls who have alopecia and were students at Chatham High School.

On Saturday, Ava decided that her hair was long enough to cut, so off to Artistry Hair Design, Old Bar we went!

After an emotional but rewarding experience, Ava is super thrilled with her new bob and excited to be sending away her 40cm locks! Her loving and compassionate spirit touched the staff and customers at Artistry who were very honoured to be a part of Ava's generosity – and donated a wash and blow dry prior to the cut.
