Principal's News

Swimming Carnival

Congratulations to our swimmers who participated in the swimming carnival last Wednesday. The children demonstrated wonderful behaviour and sportsmanship. A big thank you to our staff and parents in organising and running the event. The Zone carnival will be held on Thursday 20 February for all qualifying swimmers.

Student Learning Meetings

Student Learning Meetings are being held over the next 2 weeks for all classes (except 4/5S Mrs Northam's class). This is an opportunity for you and your child to have a chat about them and their learning. In the learning meeting, you can speak about your child's strengths, areas that could be worked on, interests, likes, dislikes, any medical information, family information or anything else you think is important. It is anticipated that each meeting will go for 15 minutes. If you would like to see your child's teacher before this time please contact the school office. Booking information has been sent home last week. Please contact the office if you need assistance with the booking process.

Headlice

There is always an influx of headlice at the commencement of a school term, following a holiday period, so parents are asked to please check your child's hair for headlice. Treatment is available from the chemist or supermarket. Following treatment the best management practice is to use cheap white conditioner on dry hair and comb it through every day for a fortnight.

Sport Days

The school sport days are as follows

Kindergarten, K/1 and 1G – Friday

Other Year 1 & 2 classes – Wednesday

Year 3/4 classes – Thursday

Year 4/5 class and 5/6 classes – Friday

P&C Meeting

The first P&C meeting for 2020 will be held on Wednesday 19 February at 6:00pm in the school library. All are welcome to attend.

How You Can Create a Healthy Lunch Box

Cancer Council NSW is keen to promote awareness about healthy eating and has therefore produced its Healthy Lunch Box website healthylunchbox.com.au

Summer is here so keeping some foods cold is very important. The key to achieving this and the necessity to follow hygienic food preparation methods can be found on the website.

Get your kids involved in the planning and preparation of their lunches. This can be a good way to ensure a yummy summer lunch box will be on its way to school.

Keeping your kids sun safe is also most important so don't forget to remind them to slip on clothing; slop on broad-spectrum sunscreen, slap on a broad-brimmed hat, seek shade and slide on sunglasses.
