Wednesday	30 April	Students return for Term 2 ANZAC Day ceremony
Friday	2 May	Zone Cross Country

Principal's News

Dear Parents and Carers,

As we approach the end of Term 1, I would like to take this opportunity to extend my heartfelt thanks for your support and engagement throughout the term. It has been a wonderful start to the school year, and I am proud of all our students for their hard work and achievements.

The last day of school for Term 1 is Friday, April 11, 2025. I hope that you enjoy the quality time with your children during the upcoming holiday break. Have a safe and enjoyable holiday and Easter celebration, creating lasting memories together.

Looking ahead, school will recommence for all students on Wednesday, April 30. We will mark this day with a special ANZAC Service at 12 pm in the school hall, where we will pay our respects and honour those who have served. Parents and community members are warmly invited to attend this meaningful service.

Thank you once again for your continued support. Wishing you all a wonderful holiday and a very happy Easter!

Life Education Program: A Week of Learning for All Classes

This week, our school had the pleasure of participating in the Life Education program, an initiative dedicated to empowering students with essential knowledge and skills for making safe and healthy choices. All classes engaged in age-appropriate sessions that covered vital topics such as nutrition, emotional well-being, personal safety, and substance awareness.

The Life Education program is designed to foster resilience and promote positive decision-making among students. Through interactive lessons and engaging activities, students learned about the importance of looking after their bodies and minds, understanding their emotions, and making informed choices.

Teachers reported that students were enthusiastic and actively participated in discussions, demonstrating a keen interest in the subjects covered. The program not only provided valuable information but also encouraged students to think critically and reflect on their own choices and behaviours.

A big thank you to Leanne, the Life Education teacher for her dedication and to all our staff for supporting this initiative. We look forward to seeing the positive impact of this program in our students' lives as they apply what they have learned in their daily activities.

Grandparents Day: Celebrating Our Wonderful Grandparents!

We are excited to announce that next Thursday, April 10, we will be celebrating Grandparents Day! This special day is dedicated to honouring the invaluable role that grandparents play in our lives and in our school community.

The day will kick off with a school assembly at 9:30 am, where we will welcome our grandparents and share some delightful performances and presentations from our students. Following the assembly, the P&C will be treating our grandparents to a warm cuppa and delicious biscuits—what a lovely way to catch up and connect!

After enjoying some refreshments, grandparents are invited to visit their grandchildren's classrooms. This is a wonderful opportunity to see firsthand what the students have been working on and to participate in engaging activities together. We encourage all grandparents to join in and make special memories with their grandchildren.

Additionally, grandparents are welcome to spend lunch break with the children, further enriching this memorable day.

We look forward to seeing all of our wonderful grandparents next Thursday as we celebrate the love and support, they provide. Let's make this Grandparents Day a truly unforgettable experience for everyone!

K-2 Hat Parade

We are thrilled to announce our K-2 Hat Parade taking place on Friday, April 11, commencing at 9:30 am at the school hall! This exciting event is a wonderful opportunity for our young students to showcase their creativity and imagination through their unique and vibrant hat designs, including festive Easter hats as we celebrate Easter.

Parents and community members are warmly invited to attend and support our little ones as they proudly display their hats. It's a fantastic chance to celebrate the hard work and creativity of our students while fostering a sense of community within our school. We also encourage families to share any other special celebrations or traditions that inspire their hat designs.

We encourage all students to get creative and design a special hat that reflects their personality, interests, or celebrates the Easter season, many students are also making Easter hats in their classrooms. We can't wait to see what our students come up with!

Join us for a delightful morning filled with fun, laughter, and creativity as we cheer on our K-2 students in their Hat Parade.

Important Reminder: School Supervision Hours

We would like to remind you that student supervision at our school begins at 8:40 AM. For the safety and well-being of all our students, we kindly ask that children do not arrive at school before this time, as there will be no supervision available.

Thank you for your cooperation in ensuring a safe environment for our students.

Our School Facebook Page

Please find us and like us on our school Facebook page. We often share photos and information with our school community.
