School Banking resumes in Term 2 - Commonwealth Dollar mites

The School Banking program includes an exciting and exclusive Rewards Program that encourages students to get into the habit of saving regularly.

When you join the Dollarmites Club, you'll receive a yellow Dollarmites deposit wallet to use when you deposit money into your Youthsaver account, a membership card and the chance to win amazing prizes through our Dollarmites competitions

For every deposit made at school, no matter how big or small, students will receive a cool Dollarmites token. Once students have individually collected 10 tokens, they can redeem them for these exclusive School Banking reward items in recognition of their continued savings behaviour.

The student can bring their banking wallet to school on Tuesday and hand to their teacher.
